Crystal Fashion Components

ASFOUR Crystal Fashion Components encompass a plethora of precisely-cut crystal stones in colours, shapes, sizes and applications that are simply dazzling.

The uses of these crystals are yet to be counted as they are always open for different interpretations and are highly customizable to suit different needs.

A legacy of luxurious crystal that enlightens the globe

Chandeliers Crystal Parts

Every single crystal part made by **ASFOUR** Crystal is a piece of art that will stand the test of time.

Among the advantages of using **ASFOUR** Crystal parts over glass are their durability and the everlasting quality of their shine.

ASFOUR Crystal parts are not affected by direct sunlight or high temperatures, even across long durations of time.

Crystal Gifts & Figurines

Crystal gifts, decorative items and figurines are among the many applications of crystal usage that **ASFOUR** Crystal transcended in.

Bringing forth the most innovative designs and the most creative concepts the world has to offer, **ASFOUR** Crystal gifts are simply the gifts of choice.

ASFOUR Crystal also provides jewelry of the most divine taste and of the finest quality ever seen.

Accessories

ASFOUR Crystal accessories offer a wide and diverse variety of products that not only include ladies accessories and gifts, but also comprise personal items such as embeddings of pens, flash memory sticks, mobile phones and prayer beads.

Moreover, **ASFOUR Crystal** offers personalized accessories that can be customized to customer wishes.

Crystal Tiles

ASFOUR Crystal recently introduced to the world its newest and most remarkable innovation yet; Crys-Tile.

Tiles embedded with the best quality crystal pieces on the globe, Crys-Tile is nothing short of a breakthrough in decorative luxury.

The crystals that are embedded in each piece of Crys-Tile are tightly sealed to ensure an eternal spark that instantly lights up the surface.

ASFOUR Lighting

Due to ASFOUR's high technological production capabilities, global consumer experience and its brilliant brand name across the globe, ASFOUR developed a department of design and creating expansive collections and models of Chandeliers and Interior Lighting Fixtures.

We address people's decorative lighting needs across a full range of market segments. We offer decorative lighting solutions for homes, shops, offices, schools, hotels, and hospitals with collections of classic, modern and oriental. In addition, we address the desire for light-inspired experiences through architectural projects.
